

WELLBEING

Care for Employees Wherever Business Takes You.

Chinese Employee Benefits Market Overview

- Medical insurance is mandatory for all employees and encourages the provision of commercial health insurance for employees in the form of exemption from corporate income tax.
- Ping An Health Insurance has a well-established and competitive group protection market, which provides a combination of protection for medical, Life, Disability, Retirement, and Critical Illness.
- Health insurance is the mainstream choice of employer or Human Resources.

Risk covered

✓ Death

✓ Accident

✓ Critical illness

✓ TPD

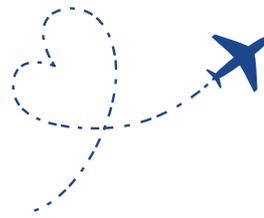

✓ Health

Approach

Our preferred solution for clients with fewer than 20 lives is the standardized approach, including mid-end and high-end medical care. We endeavor to tailor solutions for all other customers.

平安健康保险

Local Services

- **Mobile business**

With the Ping An Health APP, Ping An Health aims to develop China's leading mobile-focused online healthcare service and provide customized risk prevention solutions
